Contractor (drain-layer) _____ Phone No. _____

Description of Work: _____ _____

In consideration of granting the PERMIT, the undersigned agrees:

- a. To furnish any additional information in relation to the proposed work that shall be requested by the Superintendent.
- b. To accept and abide by all provisions of the Ogunquit Sewer District Rules & Regulations and all other pertinent ordinances or regulations that may apply now or in the future.
- c. The drain-layer shall use a trench box, proper sloping, and/or shoring in trenches greater than 5 feet deep. District employees will not allow connection to our system unless these methods are followed.
- d. The drain-layer and/or plumber agree that they shall at all times indemnify and save harmless the Ogunquit Sewer District for any and all claims, damages, losses, litigation, expenses and counsel fees arising out of injuries.
- e. To notify the District at least forty-eight (48) hours prior to commencement of the proposed work, withholding covering until an inspection can be made by an agent of the Ogunquit Sewer District.
- f. Permit will expire one (1) year from date of issuance.
